AROUND THE CAMPUS

SCENES ARE SETS

BECAUSE

Each moment of the year has its own beauty, and in the same field it beholds, every hour a picture which was never seen before and which shall never be seen.

—Ralph Waldo Emerson—

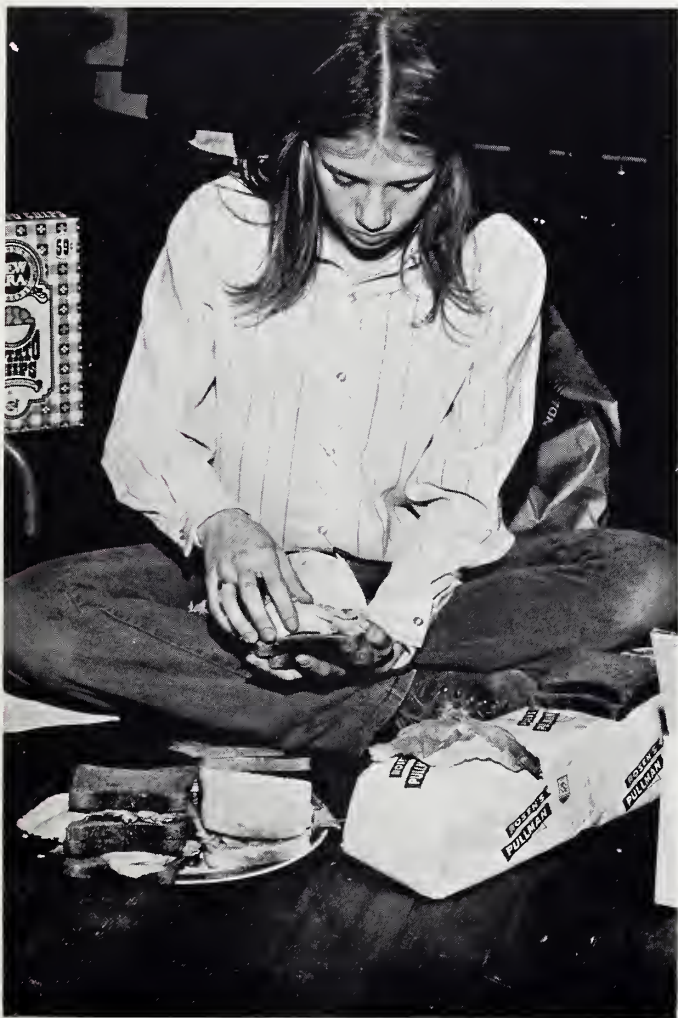

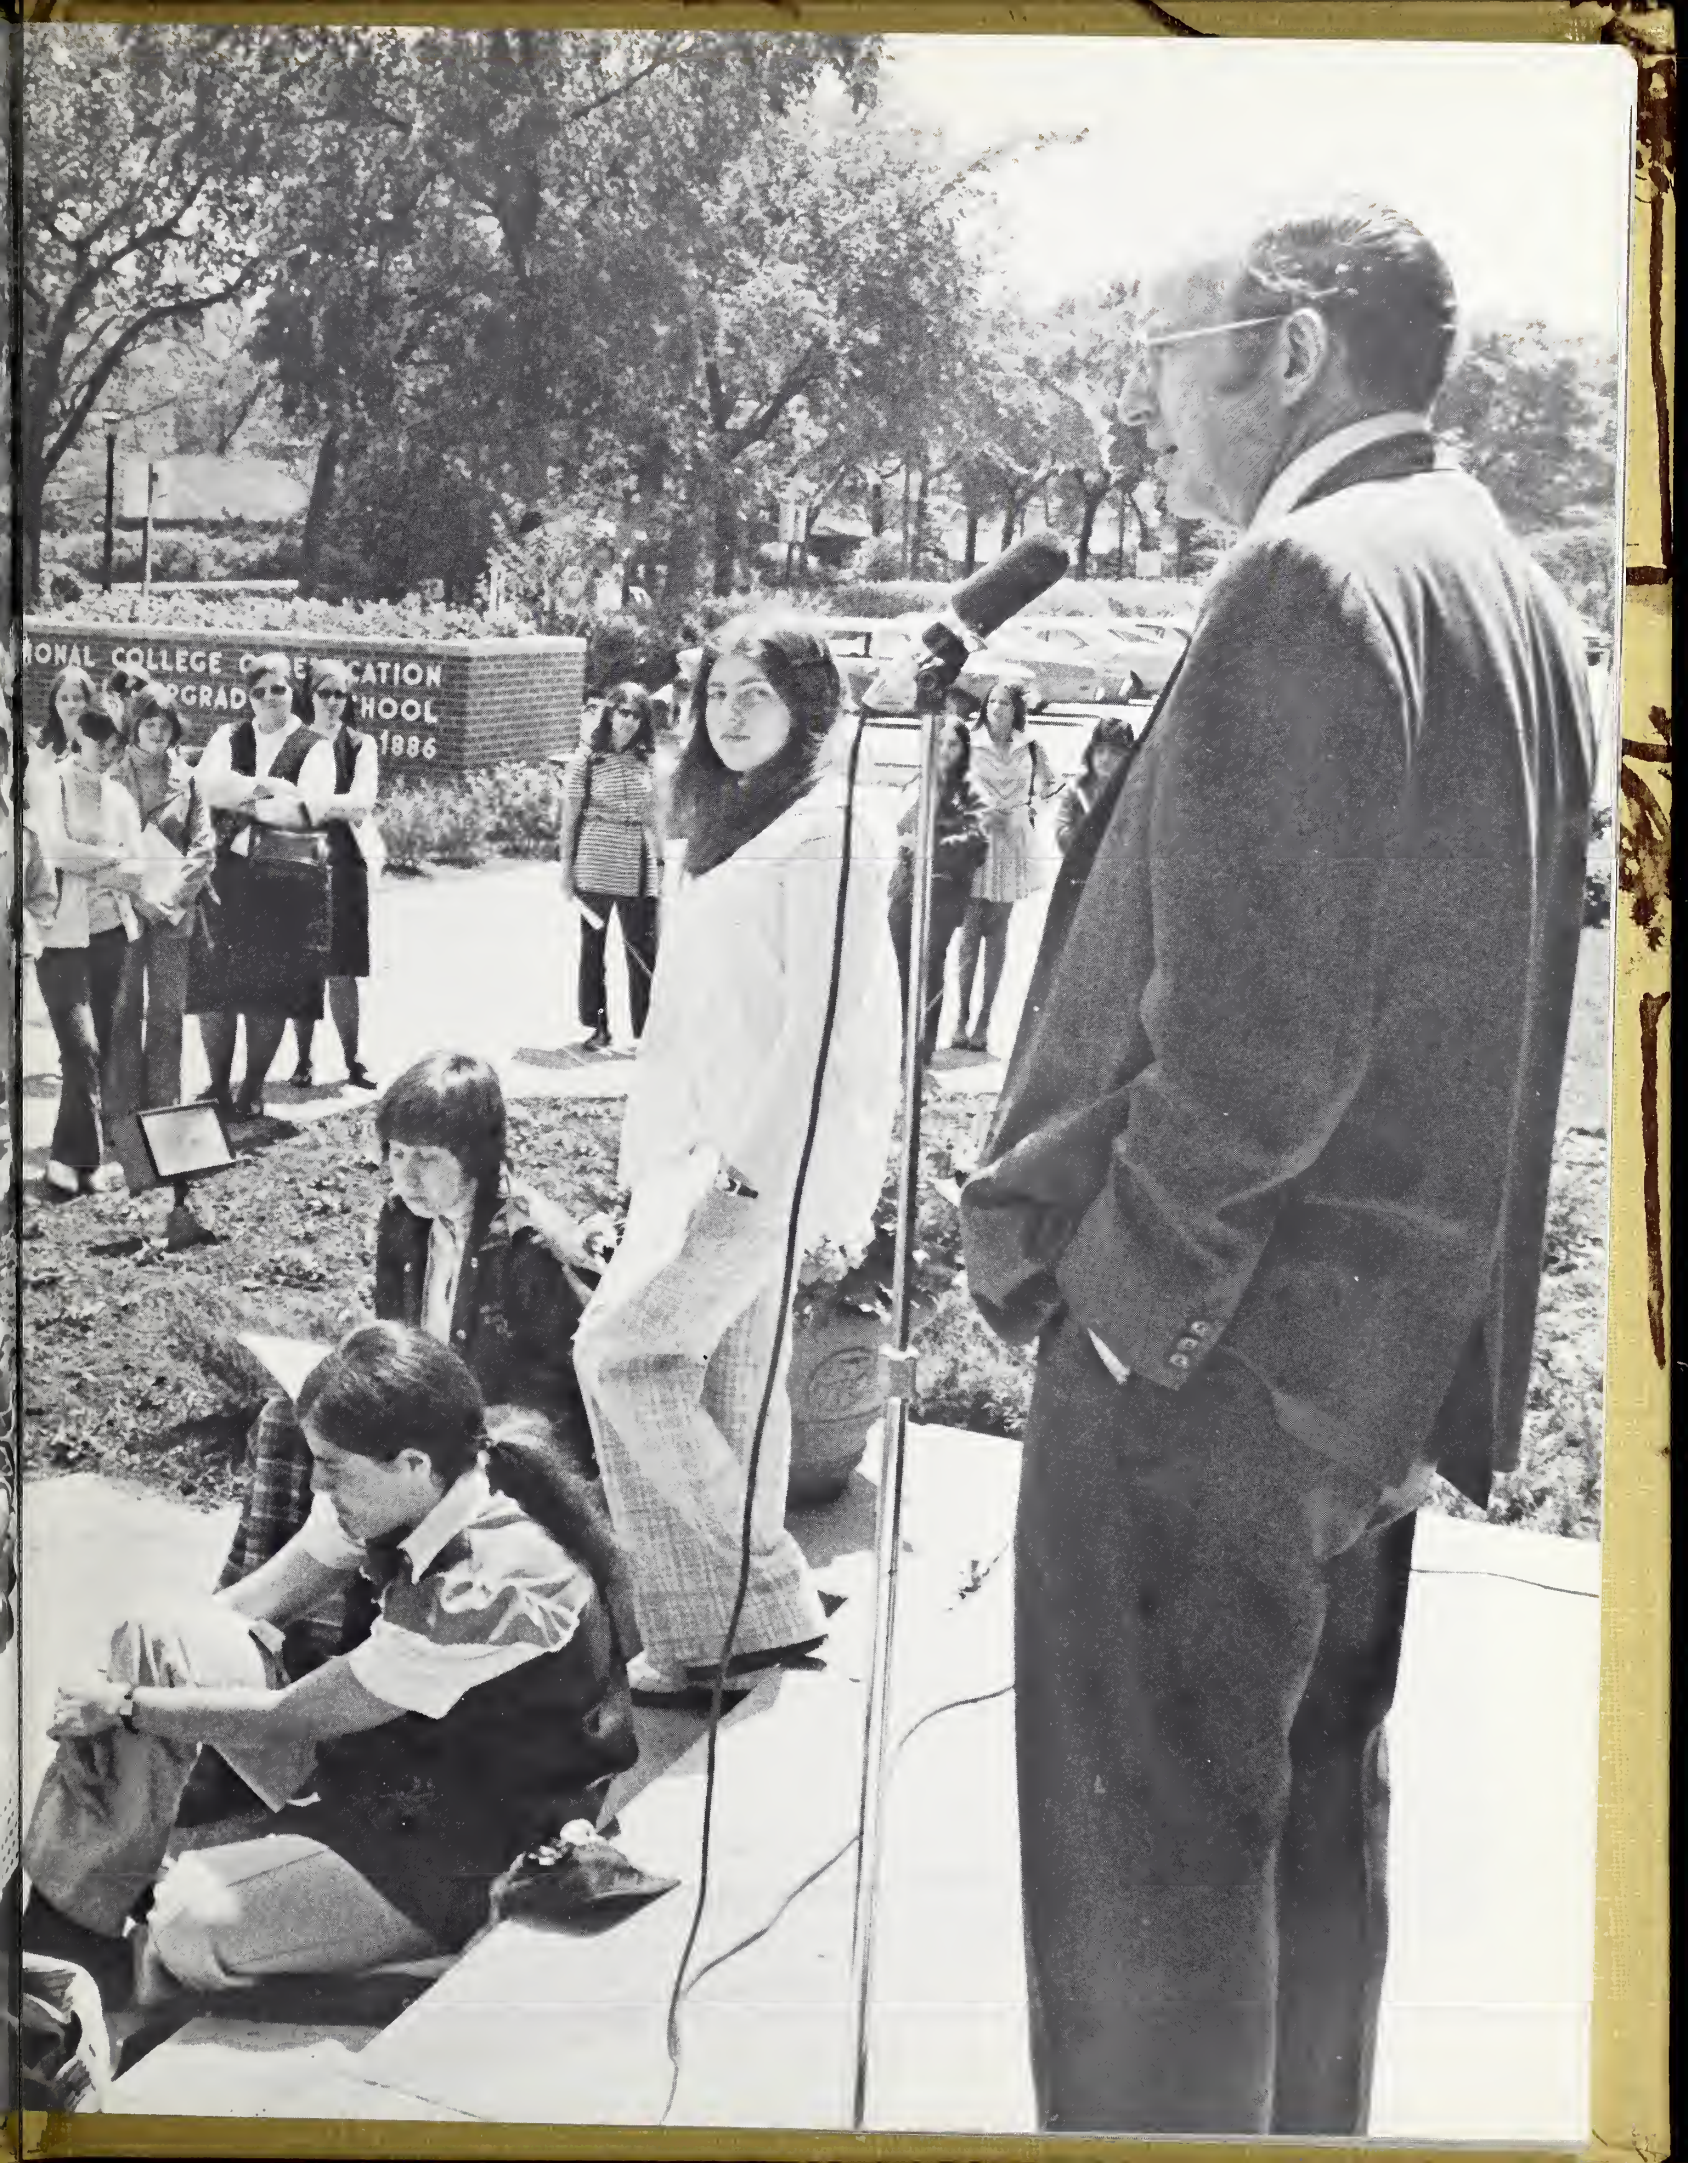

I've saved
the summer
and I give
it all to
you to hold
on winter
morning when
the snow is new.
I've saved
some sunlight
if you should
ever need a
place away
from darkness.
Where your mind
can feed.

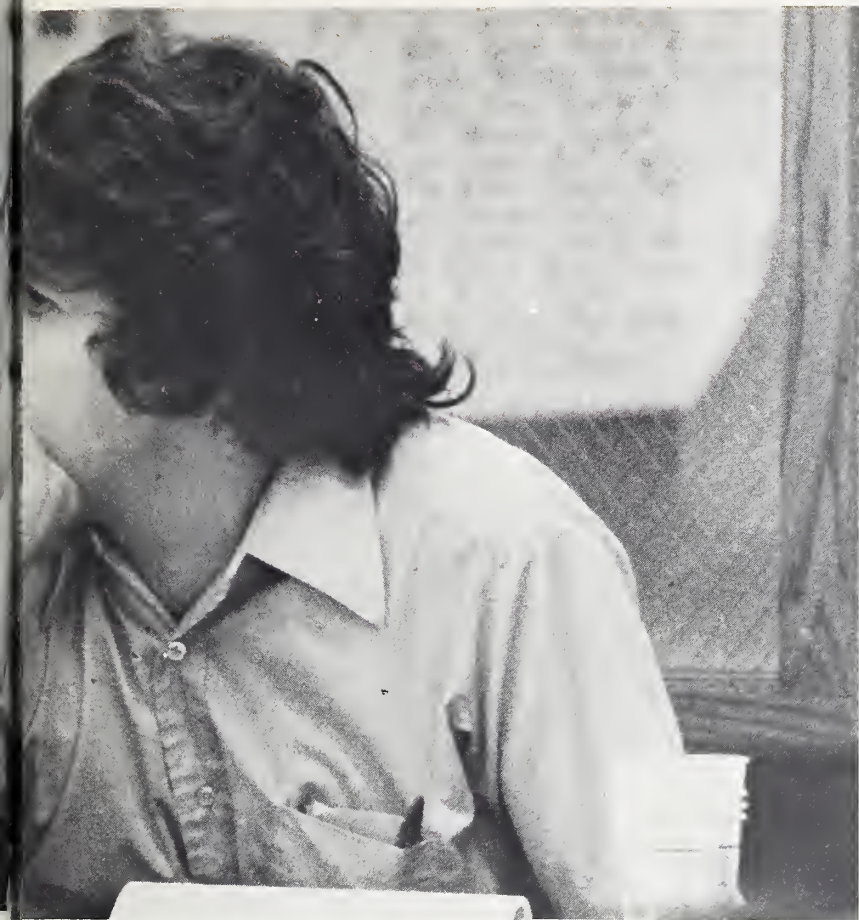

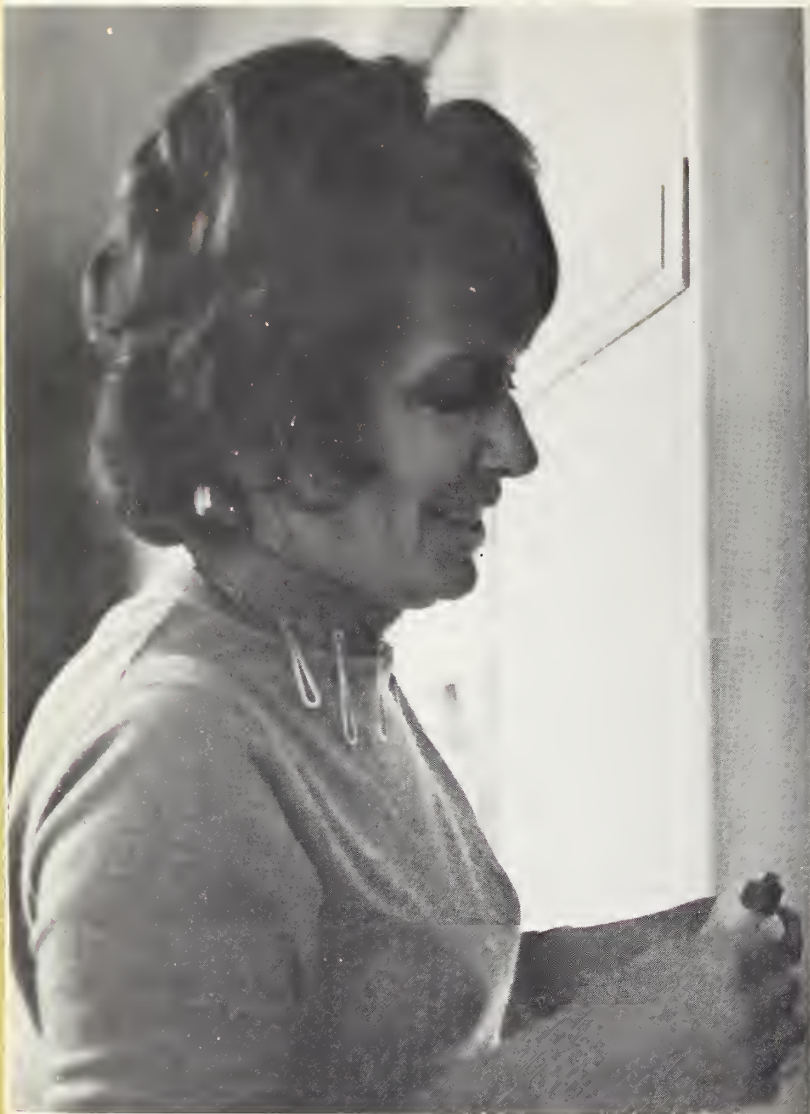

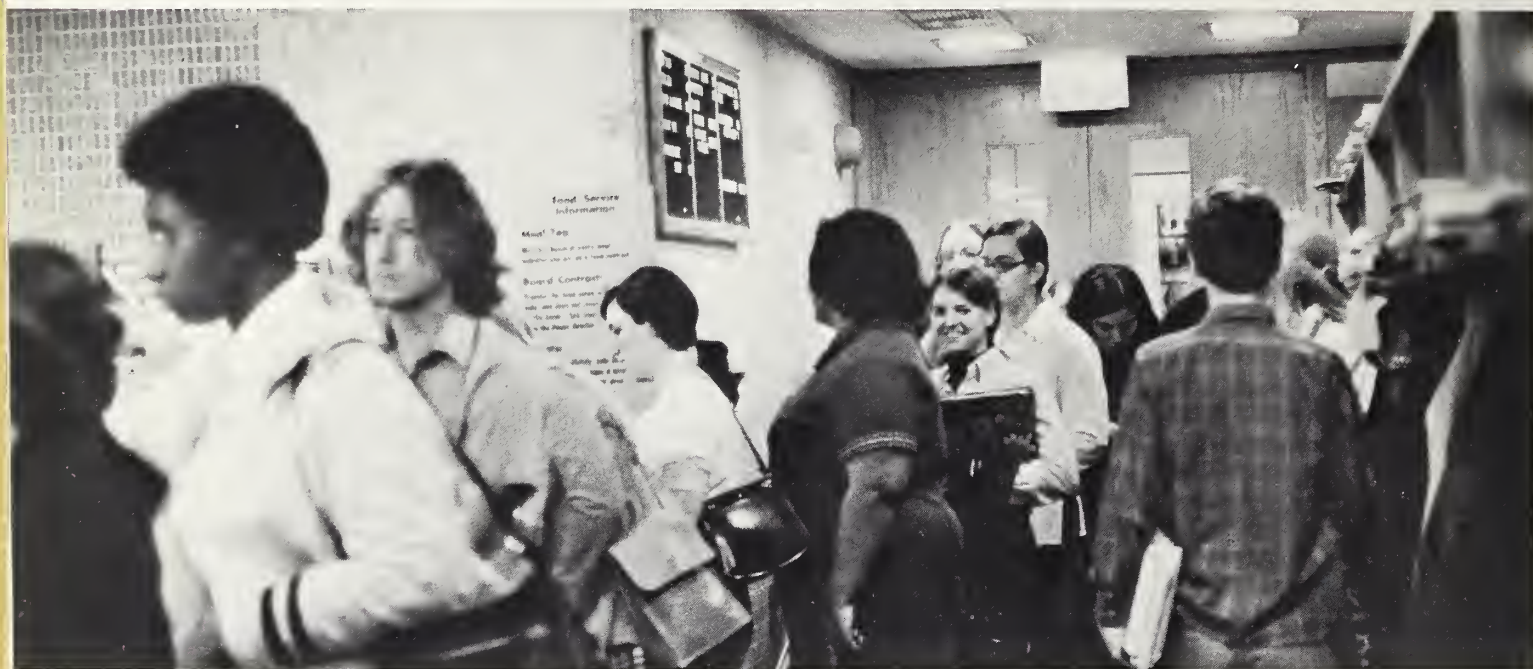

FOOD, GLORIOUS FOOD

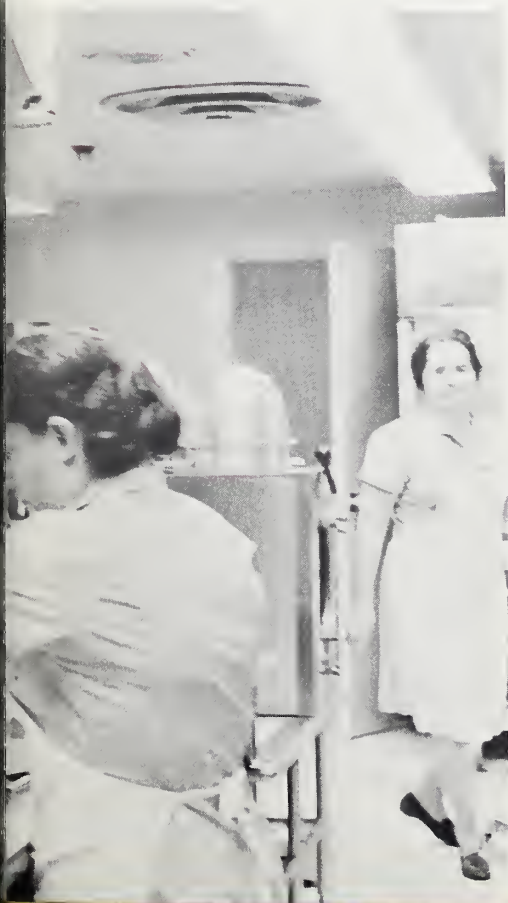

Whenever I'm scared by the state of my purse.

I dine at the "Mustards Last Stand".

Where the food is so out of comparison WORSE.

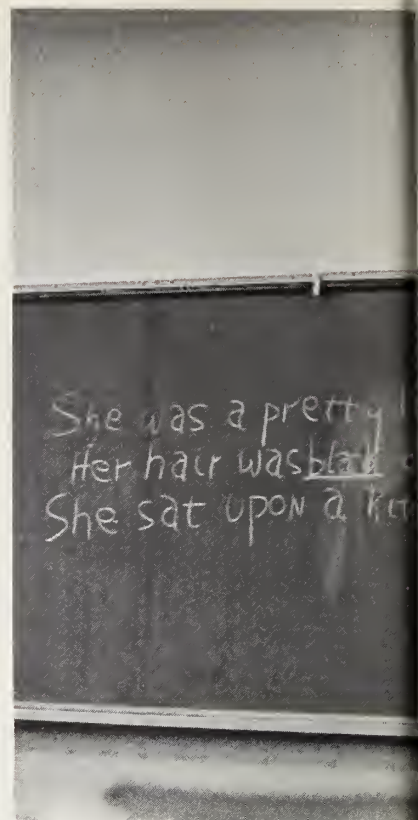

You forget the price is the same.

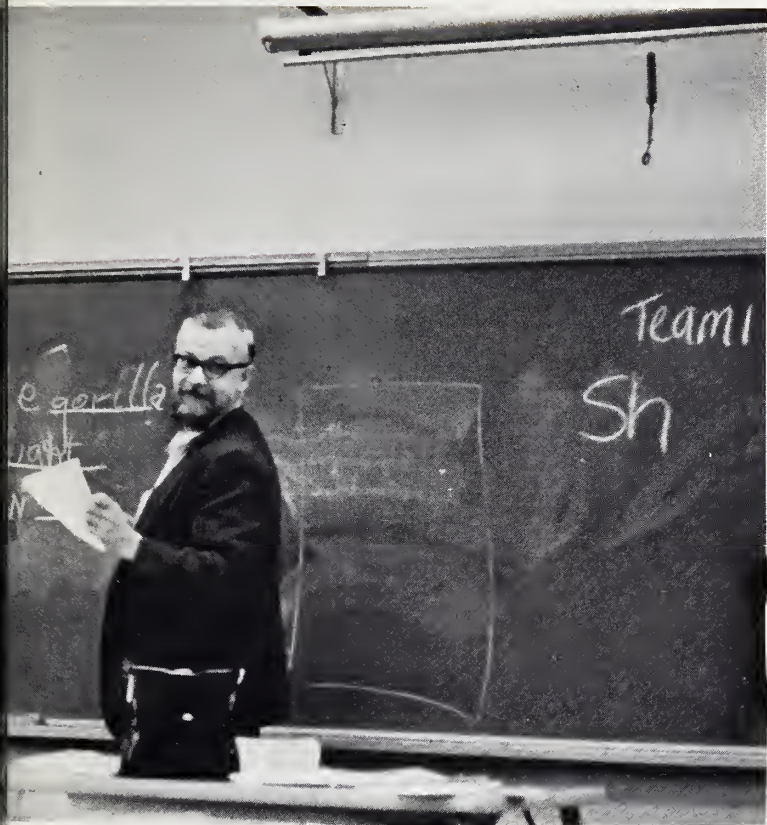

You've got so much to say,
say what you mean, Mean what
you're thinking, and think
anything.

THE PROFESSIONAL SEQUENCE

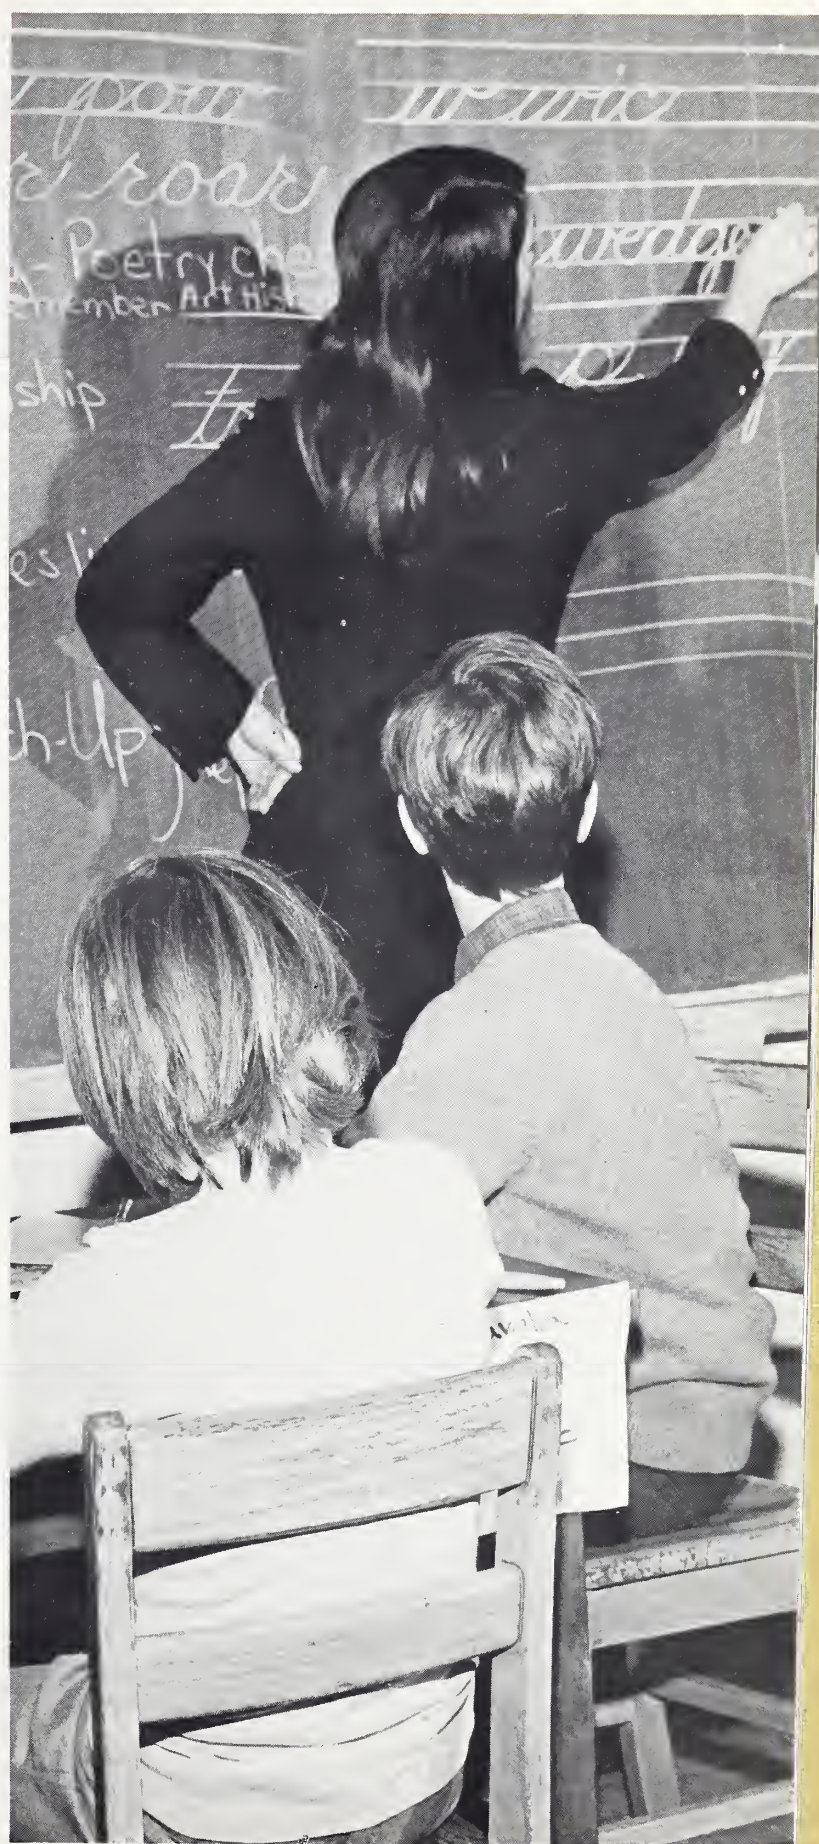

Laughter . . . , Tears . . . ,
are all memories of
the Pre-Professional
experience.

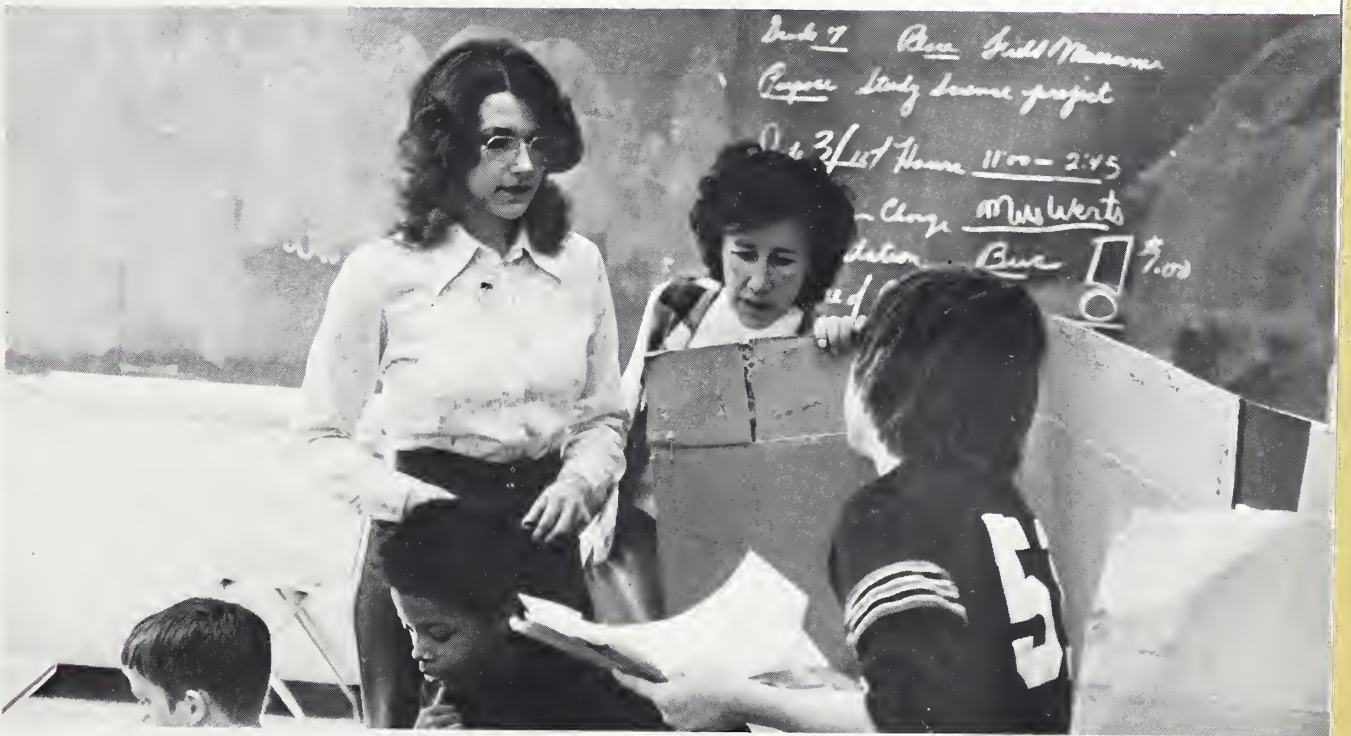

The practical experience of student teaching now makes the college classroom seem much more relevant and immediately meaningful. Classes that focus on methods and materials, the psychology of learning, tests and measurements find easy application.

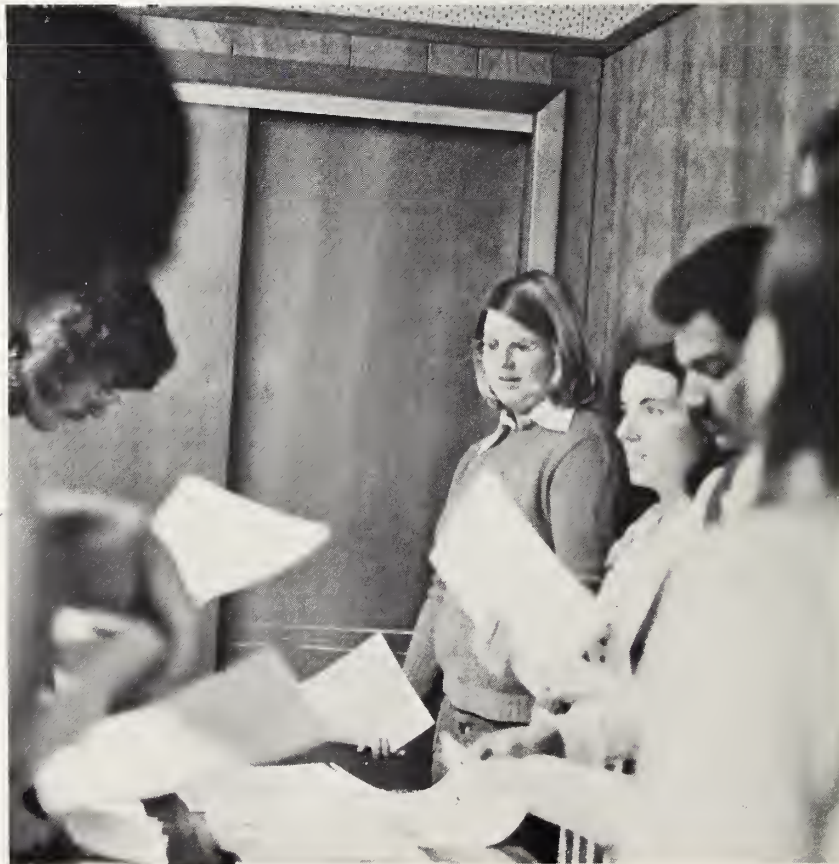

STUDENT ORGANIZATION BEGINS WITH STUDENT SENATE

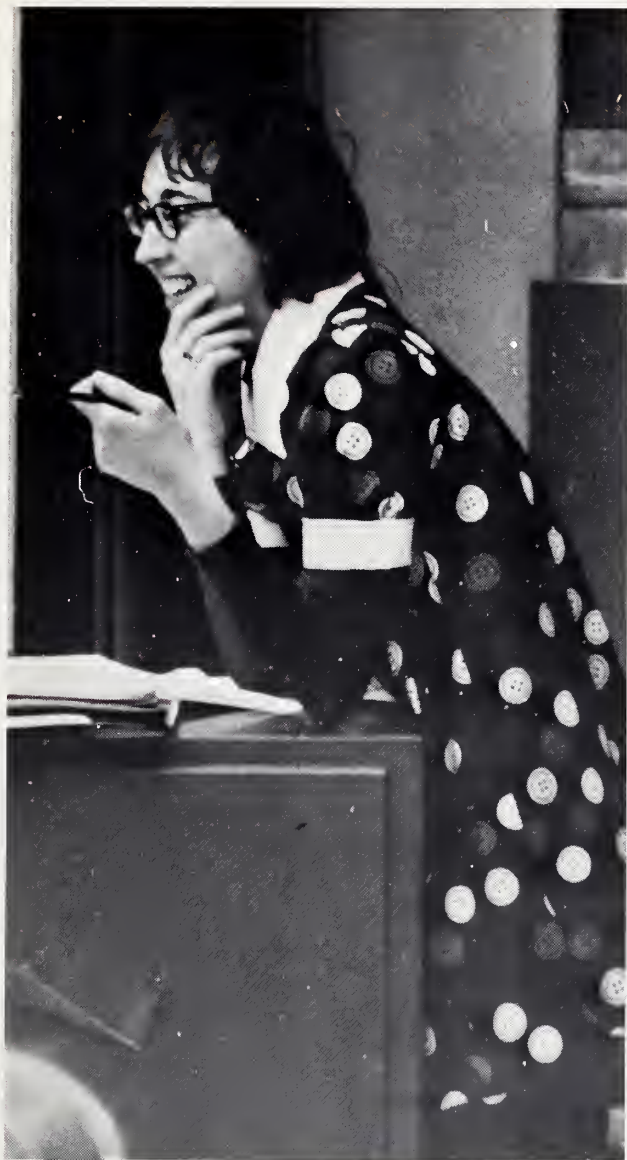

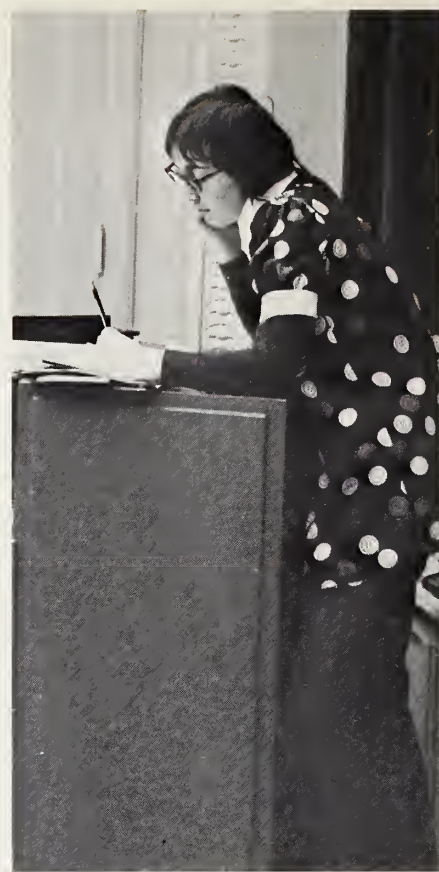

GENERAL ASSEMBLY

"ODD COUPLE"

"Laughter, like gay ribbons,
Drifts where children play,
And with its happy streamers
I bind my lovely day!"

"Creativity is always flowing . . . in many styles, shapes, and sizes."

I've never been able
to make it as a group.
I have had a hard time
making my mind
and
when I get all together
I seem to go all to pieces.
I'd like to gather myself
together
and talk about it
but I keep walking out
in single file.
Maybe I'm just doomed
to split up
and go my way.

BLACK HISTORY WEEK

"It is a peculiar sensation, this double consciousness, this sense of always looking at one's self through the eyes of others, of measuring one's soul by the tape of a world that looks on in amused contempt and pity. One ever feels his two-ness,---An American, a Negro: two souls, two thoughts, two unreconciled strivings; two warring ideals in one dark body, whose dogged strength alone keeps it from being torn asunder."

W.E.B. Du Bois

Spring rush with the Pyramids.

BLACK TALENT SHOW

"Because my mouth
Is wide with laughter
And my throat
Is deep with song,
You do not think
I suffer after
I have held my pain
So long?

Because my mouth
Is wide with laughter,
You do not hear
My inner cry?
Because my feet
Are gay with dancing,
You do not know
I die?"

Langston Hughes

"Talent is an asset of every human being."

NATIONAL PROMISE

"... We are deeply grateful to Mr. and Mrs. Foster G. McGaw ... We, here today, can only express our sincere thanks and speak our gratitude to you personally. But beyond this assembly are thousands of teachers and future teachers, and countless thousands of young children who will be the true beneficiaries of your generosity. Their gratitude may never be spoken, but their lives will speak eloquently of the influence of this institution as they build for a better future."
